

DANS LA RUE

Un organisme au service des jeunes sans-abri • An organisation helping youth on the street

DANS LA RUE does everything it can to provide the basics for homeless and at-risk youth, in addition to other services and programs. Every year, we hand out more than 70,000 cans of food, serve 25,000 hot meals, and give out thousands of pairs of socks and underwear as well as t-shirts, sweaters, boots, shoes, coats, soap, shampoo, and toothbrushes.

DANS LA RUE gratefully accepts material donations in new or excellent condition within the limits of our storage capacity and according to the needs of the young people we help.

We need your help to provide these essentials to our youth through collections and donations of our most-needed items. Here is our list of current needs:
