

Crestview Elementary

Welcome back to Crestview Elementary!

The Staff at Crestview Elementary welcomes you to the 2016-2017 school year. It is great to be part of your child's life for another year! Please feel free to contact the school at any time if you have any questions or concerns. Feedback is key to continuing to provide your child with the best possible education. We are here to help your child have a successful school year.

Use of Doors

During morning arrival and afternoon dismissal the front door will not be opened (8:55-9:03 & 3:28-3:35). Walkers and Pick-ups will exit via the gate at the kindergarten play area. The reason for this change is to allow students and staff to circulate in front of the main office without being blocked. This will also help us to maintain students' privacy when they are being supported by the administration or using the Rainbow room. The safety and well-being of your children is at the forefront of our decision making.

General Assembly & Curriculum Night

On Thursday, September 15th, Crestview Elementary invites all parents to the annual General Assembly where parents will elect the new Governing Board members and be introduced to the staff. The General Assembly will be followed by Curriculum Night where all parents will have an opportunity to meet their children's individual teachers and learn about the curriculum. We hope to see many parents in attendance. **The evening will begin at 6:30.**

Nut-Safe School

Several students have severe allergies to nuts and nut by-products. Please be sure to send your children to school with lunches and snacks that do not contain peanuts or nuts. Furthermore, please make sure to notify the school immediately if your child has a serious health condition as we are presently updating our list of students with health concerns.

Annual Terry Fox Run

Crestview Elementary will be holding a Terry Fox Run on Thursday, September 30th. A separate letter will be going out with more details.

SAY CHEESE! Picture Day will be on October 19th

The photographer advises that students do NOT accessorize with any shade of green as it will interfere with the backdrop. Students are to wear dress code.
