Halloween was most enjoyable this year as our cycle three students held activities in the gym. The students developed games that were played by visiting students.

Remembrance Day

We could not have been more proud of our students who were super respectful and attentive at our Remembrance Day assembly. Our special guests this year were veteran Paul Bergevin, retired army fire fighter. After our ceremony, Cadet Marcotte from the Navel forces gave a presentation to cycle II and III including a small reader's theatre with students. We also welcomed Cadet Marlin, a former Crestview students, who visited our younger students.

Best wishes for the holidays!

The Positive Behaviour Plan for the 2017-2018 school year is to be Ready, to be Respectful and to be Responsible and it can be found in our agenda book.

BE RESPONSIBLE means to: *I always do my best.*

Be Safe

I complete all my assignments and homework.

Be Fair

I know and follow the school rules.

Be Honest

I play safe.

Student responsibility occurs when **students** take an active role in their learning by recognizing they are accountable for their academic success. **Student responsibility** is demonstrated when **students** make choices and take actions which lead them toward their educational goals.

As discussed with our students in last week's assembly this term we will be developing the theme of responsibility. Certificates for term II will be awarded for students who have demonstrated competency in this skill.
