Are they going outside?

Students are expected to come dressed to school ready to play outside. In winter time, students should have a warm jacket, snow pants, hats, mitts, neck warmer and boots. All items should be labelled. It is suggested that students also have an extra set of clothes/socks at school to avoid a parent being called to exchange wet clothes/socks.

The decision to go outside is made by following the recommendations of the Canadian Pediatric Society (see attached chart). On days that are cold but under -25°C (yellow zone), students may be sent out for 10 minutes. *The Canadian Pediatric Society recommends that children be kept indoors if the temperature is below -25°C , or the wind chill factor is -28°C or lower.*

Other factors that the school considers:

- Air temperature and wind speed increase the rate of frostbite.
- Gusting winds can cause the wind chill to vary minute to minute from the local weather forecast.
- Bright sunshine can make you feel as much as 10°C warmer.
- Children with less muscle mass, generate less body heat. (Older students might be sent out, while younger students may be kept in).

We will be using the following link to verify the temperature:
<https://www.theweathernetwork.com/ca/forecasts/school-day/quebec/crestview-elementary-school>

Please be assured that your child's health and safety is always at the forefront of our decision making process.

Respectfully,
Ms. Parsons
Principal

New Year's Resolutions

When thinking of the New Year please remind yourself of the importance of punctuality. Students need to be at school at 8:55 a.m. so that they are ready to start homeroom at 9:03 a.m. Students who arrive late miss important information and disrupt the classroom routine. If your child is absent or will be coming late, please leave a message on the school answering machine before 9am.

A reminder that Crestview has a **Dress Code**

- Students must wear navy blue or black pants, skirts or shorts and plain white, blue or black tops. Jeans and jean imitation (*jeggings*) are not permitted.
- **A navy blue or white sweat shirt may be worn over the white or blue top.**
- Shoes must be appropriate for school and for school related activities.

- The school's **physical education uniform**, navy blue shorts/jogging pants and white top is compulsory. **Clean** running shoes in the gym are also required.
- No logos (other than the school logo), stripes, pictures, etc. are allowed on any clothing worn to school (tops or bottoms).

Crestview had its annual Book fair to let young readers purchase new books to encourage them to read more often. Our school would like to thank Ms. Sandra, Ms. Sheila and volunteers for their amazing dedication to organizing this great event. It was truly a success. Crestview raised over \$2000 to buy new books to put in our library. Thank you for all of your support.

Crestview is in need of exercise equipment. It would be much appreciated if anyone has any extra exercise equipment that they are no longer using and are able to donate.
