Dear Parents,

I hope you and your families are continuing to stay healthy and strong during this very unusual summer and start to the new school year.

As we prepare for a school year like no other, we want to reassure you that the staff at Crestview is here to support our students, our parents and our community. The safety and security of our students and staff is our utmost priority and continues to be at the forefront of our decision-making.

On August 10, 2020, Mr. Jean-François Roberge updated the back to school plan available [HERE](#).

Some of the highlights include:

- The full reopening of all elementary schools five days a week;
- Self-screening; (parent monitoring for younger students )
- Enhanced hand hygiene for students and staff;
- Mandatory masking for children age 10 and up.
- PPE for teachers and staff and a reserve of cloth masks for students who may need one;
- Class groupings of students to reduce interaction outside of class;
- Distancing;
- Enhanced cleaning and disinfecting of school facilities and busses.
