

Crestview at a Glance....

Week of October 5, 2020

Government Regulations: Covid 19 update

- After yesterday's press conference, the minister of education made no real changes to the elementary sector.
- The only change is that extracurricular activities, as long as they respect the class bubbles.
- Overall our students are cooperating very well with the safety measures at school.
- It is imperative that families continue to help protect the community by not sending in their child to school if they are feeling sick.
- In addition, it is very important that parents continue to monitor any symptoms. If your child is experiencing any symptoms of Covid-19 (Fever, Sore Throat, Runny Nose, Cough, Shortness of Breath, Muscle Aches, Loss of Taste or Smell, Gastrointestinal Symptoms) students need to stay home and validate your student's absence on a daily basis. Parents should call the public health hotline at 1-877-644-4545, and follow the instructions they receive.

Home and School

- Many thanks to the parents who joined our very first home and school meeting held on September 30, 2020.
- Maggie Yannikomchoyan was elected as President of Home and School and Bessy Psychoyos is our Vice president.
Congratulations to both parents!
- At the meeting, we discussed many creative ways to fundraise this year. Attached is the information for our annual Santa's Helper fundraiser. You will be receiving the catalogue shortly!

Halloween

- This year, Home and School will be providing a special Halloween treat for the students.
- Due to the pandemic, parents cannot send in Halloween treats from home.

Vaccinations

- CLSC has delayed the grade 4 vaccinations due to the pandemic. We will keep you informed of any development.

Hope and Bella Wall of Fame

- We are encouraging students who have pets to send in photos of themselves with their pet.
- The photos will be displayed in the hallway and messages will be placed on the bulletin board as a reminder that our therapy dogs are here to support everyone 😊

Adaptive Transportation

- Reminder to please place school bags and lunch bags in the trunk of the transport vehicle.

Merenda

- Looking for alternative lunch ideas? Check out Merenda for online orders to get your child a hot lunch. <https://www.traiteurmerenda.com/>

Progress Reports

- The first communication is an indicator on how your child is adapting to his new environment and how they are progress thus far academically and behaviorally.
- There are no numerical grades but a communication stating if they are progressing satisfactory or with difficulties.
- The progress reports will be posted on Mozaik the week of October 13, 2020.

Reminders

- Holiday on Monday October 12, 2020
- Pedagogical day October 16, 2020

Wishing you a wonderful long weekend

Stay healthy!
